

Books for Babies: BELLY BUTTONS

Clap and Sing Hello!"

(Tune: Farmer in the Dell)

We clap and sing hello,
We clap and sing hello,
With all our friends at storytime,
We clap and sing hello!

Buttons!

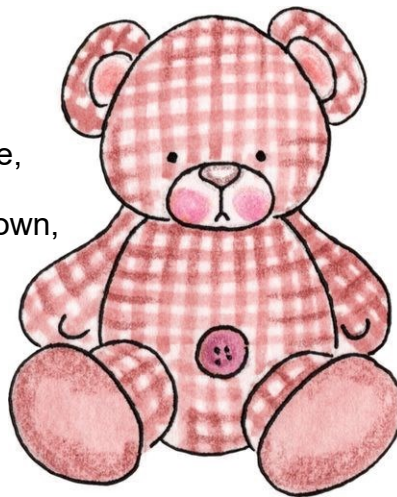

by Steve Kittell (with changes)

Buttons, buttons everywhere,
they're on this and over there.
They're on clothes and touch-screens.
They're on phones and washing machines

Some buttons are big, some are small.
Some buttons do nothing at all,
Some are outies others innies,
Silly buttons on our bellies.

You may have a cute button nose,
to enjoy the smell of sweet rose.
While buttoned up or buttoned down,
In the rain or strolling in town.

Buttons in all shapes, any size,
Having a spare is always wise.
No zippers for me, I prefer,
Buttons to hold all together.

Where, Oh Where are Your Fingers

Where, oh where are your fingers? (*touch fingers*)
Where, oh where are your toes? (*touch toes*)
Where, oh where, is your belly button? (*tap belly button*)
'Round and round it goes (*make circle around belly*)

Where, oh where are your ears? (*touch ears*)
Where, oh where is your nose? (*touch nose*)
Where, oh where, is your belly button? (*tap belly button*)
Round and round it goes. (*make a circle around belly*)

Five Little Buttons

Five Little Buttons on my shirt
One popped off and rolled away....

Four Little Buttons on my shirt
One popped off and rolled away...

Three Little Buttons on my shirt...
One popped off and rolled away

Two Little Buttons on my shirt...
One popped off and rolled away

One little button on my shirt..
It popped off and rolled away

Wave Goodbye!

(Tune: Farmer in the Dell)

We wave goodbye like this.

We wave goodbye like this.

We clap our hands for all our friends.

We wave goodbye like this.

No more buttons on my shirt!
Oh no I need another shirt!
